

# The Salty Monk, Sidford

## Wine List

We have had a great deal of fun putting together, what we feel, is our best wine list to date. Our aim has been to select a wide range of wines from some recognisable regions but also many from areas that you might not recognise. We would like to encourage you to go for wines that you might not have heard of as they will be great value for money. Many of our wines by the glass are in this category.

The object of this list is to offer you a varied range of top quality estate-bottled wines from artisan craftsmen.

### A few words about our symbols

-  A WINE THAT IS MADE FROM GRAPES THAT HAVE BEEN CERTIFIED AS BEING ORGANIC.
-  A WINE THAT IS MADE FROM GRAPES THAT ARE CERTIFIED AS BEING BIODYNAMIC.
-  A WINE THAT IS MADE FROM VINES THAT ARE IN THE PROCESS OF GAINING ORGANIC ACCREDITATION
-  A WINE THAT IS MADE FROM VINES THAT ARE GROWN ORGANICALLY BUT WHERE THE GROWER DOES NOT HAVE ACCREDITATION
-  A WINE THAT IS HIGHER IN ALCOHOL THAN ONE MIGHT REALISE! IN THE CASE OF WHITE WINES, THIS IS OVER 13.5% AND REDS OVER 14.0%
-  A WINE THAT IS LIGHTER IN ALCOHOL THAN MANY

**GLASS SIZES:** please note that we normally offer wines in 175ml measures by the glass but can also offer the same wine in 125ml measures if required.

## White Wines

### Crisp and refreshingly bone-dry
